CAFP Relaunch

CAFP Members and Friends -

We must apologize for going MIA this last fiscal year. COVID-19 impacts have been felt by all of us - we sincerely hope you and your family are doing well. As a leadership team we were not prepared to adapt to the ever-evolving landscape. Mid-year, we reconvened to discuss how we might relaunch our chapter in this new world.

We decided a newsletter would be a great way to begin our reconnection and, with your help, determine the best path forward for our chapter. We have 2 asks:

1. Tell us what you think of this newsletter, what content you'd like to see in the future, and other ways you'd like to reconnect with us, link [here](#).
2. Nominate yourself or a colleague to join our Leadership Team as Secretary. Learn more [here!](#)

We believe the values of connection, collaboration and thought partnership are more important now than ever. We look forward to the year ahead!

Juliany Rovera-Calo, Jeff Maseda, Angela Tuxhorn, Laurel Burke.
CAFP Leadership Team

Food Safety Resources

Stay Current!

- [Food Safety News](#) - daily news source for information about food recalls, foodborne illness outbreaks, food science, technology, food policy and more. Subscribe [here](#).
